STATUS	STATE	REGION	COMPONENTS	YR ENACTED
In-Progress	<p><b>Vermont</b></p> <p>The Vermont Public Utility Commission submitted draft rules for a Clean Heat Standard to the Vermont General Assembly in January 2025, which now require approval by the legislature to move forward.</p> <p>In the report, the PUC noted that, while feasible, a clean heat standard may not be well-suited for Vermont because of its regulatory complexity, and offered possible alternatives to lawmakers, including a fuel tax on heating fuels to subsidize existing thermal efficiency programs.</p> <p><b>Establishing Policies</b></p> <ul style="list-style-type: none"> <li>• <b>Act 18 (2023)</b></li> <li>• <b>PUC Report to the legislature with proposed rules (2025)</b></li> <li>• <b>Clean Heat Standard</b></li> </ul>	Northeast		2023
