Climate Advisory Bodies				
 Not Enacted	Climate advisory bodies often write or advise on a state's climate plan, and make non-binding recommendations on climate policy design and implementation. The bodies can consist of all non-government members, or be a mix of government and non-government members.	Climate Governance and Equity	Climate Governance	

STATUS	POLICY	POLICY AREA	POLICY CATEGORY	YEAR ENACTED
 Enacted	Environmental Justice Community Definitions "Disproportionately impacted communities" are communities or populations of people for which multiple burdens, including environmental and socioeconomic stressors, inequity, poverty, high unemployment, pollution, or discrimination, may act to persistently and negatively affect their health, well-being, and environment; includes tribal communities, communities of color, low-income rural communities, native people, people of color, women, immigrants, youth, formerly incarcerated people, LGBTQ people, and people with disabilities. Establishing Policies <ul style="list-style-type: none">• SB 112 (2021)	Climate Governance and Equity	Environmental Justice and Equity	2021
	Environmental Justice Mapping Tools Environmental justice (EJ) mapping tools are interactive maps that visualize key EJ concepts, such as demographic information, EJ community definitions, and environmental and public health threats.			
	Environmental Justice Community Investment Requirements Environmental justice (EJ) community investment requirements help ensure communities most impacted by environmental burdens are benefitting equitably from public programs by requiring a certain percentage of funds and/or benefits from other policies are allocated to EJ communities.

	Establishing Policies <ul style="list-style-type: none">NMED – Environmental Justice Coordinator			
 Not Enacted	Environmental Justice Advisory Bodies			
	Environmental justice (EJ) advisory bodies are responsible for making recommendations on EJ policy, integrating EJ and equity principles into climate policy, and increasing public engagement. These bodies can consist of all non-government members, or be a mix of government and non-government members.	Climate Governance and Equity	Environmental Justice and Equity	
 Not Enacted	Cumulative Impact Assessment			
	Cumulative impact assessments determine the health and environmental impacts of renewing or granting a permit for certain pollution-generating facilities in environmental justice communities. Increased pollution burdens in communities may result in the permit application being denied.	Climate Governance and Equity	Environmental Justice and Equity
