|-------------|---|---|-------------------------------|-----------------|
| Not Enacted | Buy Clean Requirements  Buy clean requirements mandate or incentivize the use of low-carbon construction materials, such as concrete and steel, in public projects to address embodied carbon.                                  | Industry, Materials, and Waste Management | Industrial<br>Decarbonization |                 |
| Not Enacted | Hydrofluorocarbon (HFC) Regulations  Hydrofluorocarbon (HFC) regulations include phasedown commitments, rulemakings, disclosure requirements, bans, or other measures that reduce HFC usage and emissions.                      | Industry, Materials, and Waste Management | F-gas<br>Regulations          |                 |
| Not Enacted | Sulfur Hexafluoride (SF6) Regulations Sulfur hexafluoride (SF6) regulations include phasedown commitments, reporting requirements, bans, or other measures that reduce SF6 usage and emissions.                                 | Industry, Materials, and Waste Management | F-gas<br>Regulations          |                 |
| Not Enacted | Oil and Gas Methane Regulations  Oil and gas methane regulations include phasedown commitments, reporting requirements, leak detection and repair, or other measures that reduce methane emissions from oil and gas production. | Industry, Materials, and Waste Management | Oil and Gas<br>Regulations    |                 |

| STATUS         | POLICY  | POLICYAREA   | POLICY<br>CATEGORY         | YEAR<br>ENACTED |
|----------------|---|--|----------------------------|-----------------|
| Not Enacted    | Fracking Bans  Fracking bans prohibit the practice of hydraulic fracking for the production of oil and/or natural gas by a certain year. Legislation often requires an environmental agency or department to promulgate regulations.  | Industry,<br>Materials, and<br>Waste<br>Management | Oil and Gas<br>Regulations |                 |
| Not Enacted    | Landfill Methane Regulations  Landfill methane regulations include rulemakings, emissions monitoring, emissions control, or other measures that reduce methane emissions from decaying organic waste in landfills.  | Industry, Materials, and Waste Management          | Waste<br>Management        |                 |
| Not<br>Enacted | Food Waste Bans and Targets  Food waste bans and targets include policies that prohibit certain entities that generate specified amounts of food waste (typically commercial businesses and larger institutions) from sending this waste to landfills. Targets aim to reduce total food waste by a certain percentage each target year. | Industry,<br>Materials, and<br>Waste<br>Management | Waste<br>Management        |                 |
